

## Freedom. Flexibility. Options.

Have it all with GoGetta equipment funding.

### The GoGetta Rental Solution

From small family businesses to franchise groups and large corporate organisations, the right funding is essential in order to keep your options open, and to preserve as much cash as possible to grow and expand.

Our unique Rent.Grow.Own.<sup>®</sup> Solution allows you to save your hard-earned working capital – rather than spending it on depreciating assets. And if you exercise your option to buy, we reduce your purchase price by 75% of the net rent you've already paid. Who says you can't make your rental dollars work for you?

### How it works

Rent.Grow.Own. is perfect for businesses who want to keep their options open. So, why lock yourself into long term liabilities that limit your options? Instead, we offer a 12 month agreement, so your business has the flexibility to:

- Purchase equipment at any time during the first 12 months and receive a 75% rental rebate.
- Change to a Rent-To-Own, go.Own.plus rental agreement\*
- Return equipment at the end of the 12 month agreement if no longer required.
- Continue to rent – and we'll simply continue to reduce your purchase price.

\*Conditions apply

### Example

Just say you rent assets valued at \$10,000. By choosing the Rent.Grow.Own. Solution, you could look forward to:

Low weekly rent of	\$138.46
Purchase price at the end of one year	\$5,600
Total net rental payments*	\$10,640
Rental cost of ownership - just	\$640

\*Net rent after tax savings plus purchase price.

(NB: A refundable security bond of an amount equal to 4 weeks is required with the signed agreement. A Document Fee of \$235 will also apply.)

Total asset value on each contract must be a minimum of \$2000.

### Key benefits

Great benefits of the GoGetta Rent.Grow.Own. Solution include:

- Low weekly rental repayments.
- The chance to free up your valuable working capital.
- The ability to try before you buy.
- Peace of mind from knowing you're not stuck with equipment that isn't perfect for your needs.
- A 12 month agreement – don't get locked into a long term lease.
- Rental payments are 100% tax-deductible.
- Renting is off 'balance sheet', meaning it doesn't affect your capacity to borrow for future expansion.

**Ian Monk - Contractor**

**GoGetta gave me options!**

Ian Monk is an owner and operator of an earthmoving company who used the flexibility of GoGetta to secure his own equipment in order to grow his business and “be his own boss.”

Without a guarantee from his job, and the banks declining him for finance, Ian did not want to put himself under enormous strain if he purchased the equipment out right, so he turned to GoGetta.

GoGetta’s Rent.Grow.Own. Solution helped reduce Ian’s risk allowing him to rent with affordable weekly payments, whilst still giving him the option to purchase at a later date with a generous rebate.

Ian decided this suited his needs, the application was easy and simple and completed in just a matter of days.

*“GoGetta’s options are really positive as they allow you to try the equipment and then buy it out right with a 75% net rental rebate instead of paying dead rent to many different companies.”*

**Harbour City Plumbing**

**A great solution for growing businesses**

In July 2011 Harbour City Plumbing needed to secure new equipment to support their business growth with the purchase of a CCTV camera and software. Importantly, they needed a finance solution that would minimise their risk and they needed it quickly so they could get to work.

With GoGetta’s help not only did Harbour City Plumbing get the right finance solution for their needs, they were also able to obtain the equipment quickly and easily with a flexible GoGetta Rent.Grow.Own. rental agreement.

They put the equipment straight to work with affordable weekly payments, whilst still having the option to purchase with a generous net rental rebate within the first 12 months.

This meant they could focus on growing their business and no need to worry about a large capital outlay or long-term finance commitment.

Harbour City Plumbing provides total pipeline solutions to the commercial, construction, industrial and domestic markets throughout Queensland.

*“GoGetta helped me get the equipment I needed to support our business growth. Their quick and easy application was great and the options provide me with peace of mind.”*

**Hardy’s Excavations**

**GoGetta reduced my risk!**

Russell Hardy, of Hardy’s Excavations, saw an opportunity which could help him grow his business. To capitalise on this opportunity he needed a loader, but without a guarantee from this job, he would be putting himself and his business under enormous strain if he purchased the equipment out right.

Russell discussed his situation with Shane Chestnut at Equipment Direct International. Shane immediately introduced Russell to GoGetta’s Rent.Grow.Own. Solution.

The Solution could help reduce his risk by renting at an affordable weekly rate, while still maintaining the option to purchase with a generous rebate. The rental payments are tax deductible and at the end of the 12 month agreement if the equipment didn’t suit his needs he could return it with no penalties.

The decision was made, application completed and equipment put to work all in just a matter of days. Quick and simple, allowing Russell to focus on the work in hand.

*“Work is now pretty reliable, with the loader working most days.”*

Russell intends to purchase the equipment at the end of his 12 month contract and benefit from the 75% net rental rebate.
